Since 1999, the Community Thanksgiving Luncheon has provided Thanksgiving meals and fellowship to members of our community, especially those who may be alone during the holidays. Today, it has grown into a beloved community tradition that brings together neighbors, families, friends, and volunteers to celebrate gratitude and fellowship. Families can also enjoy activities for younger guests throughout the day.

GIVING THANKS TOGETHER SINCE 1999

Celebrating Community • Sharing Gratitude • Building Hope
Everyone is welcome — come hungry, leave happy! 🍽️
